The dance program will be offering a true advanced dance course that will provide many community services and teaching opportunities. Please let me know the character, work ethic and dedication of this student. The chosen students will be representing Oakmont in the community, so we're not just looking for talented dancers. We need respectful, determined young adults that can be trusted off campus.

## Advanced Dance Requirements and Expectations

1. All dancers will be eligible to participate in community, elementary school and convalescent home performances throughout the semester. Students may at times be released from school for a field trip day, with prior approval from his/her other teachers. This means that all advanced dancers must be passing their other classes to be released. For this reason, I ask for information regarding your past academic performance.
2. Dancers will have the opportunity to interact with the community and teach children to dance! Your citizenship is a huge part of being accepted into this class. We are looking for strong teachers and dancers, but you must also be a respectful and mature young adult that I can trust to represent Oakmont.
3. You must have at least one semester of Intermediate dance before you can apply to the Advanced Dance. No exceptions will be made.
4. Students that do not maintain at 2.0 and pass all classes with a D or better will not be eligible to perform in shows that take place over the course of a school day.

Thank you for taking the time to fill out this recommendation form. Please email Robyn Soliman if you would like to give more information regarding a particular student.

Thank You,

Robyn Soliman

I understand that it is a privilege to be a part of the advanced dance class and represent Oakmont in the community. I know that my dance ability, teaching skills, and past attitude in and out of dance class will be used to determine who will be invited into Advanced Dance. I also understand that I need to do well in school to be pulled out of school and participate in off campus community performances.
